Just for reusable –insulated water bottles

# 企业简介

## ABOUT US

Yongkang Moin Houseware Co.,ltd is a company that has been in the business of manufacturing and designing vacuum drinkware for over two decades. During this time, we have amassed a wealth of experience and knowledge that we have used to develop a range of high-quality products that cater to the needs of customers. Our product line includes vacuum tumblers, sport bottles, and coffee cups, all of which are designed to meet the highest standards of quality and sustainability. The company is committed to reducing plastic waste, and we have invested heavily in finding innovative solutions to this problem. As a result, their products are made using eco - friendly materials that are both durable and long-lasting. Innovation is at the heart of everything we do. Our designers and engineers are constantly exploring new ideas and technologies that can be used to improve the products and make them even more sustainable. We are committed to providing exceptional customer service.

# 我们的愿景

## OUR VISSION

We are dedicated to creating a world where plastic pollution is a thing of the past and an eco-friendly lifestyle is the norm. We are passionate about reducing plastic use in our products and promoting sustainable alternatives. We believe that small changes can make a big difference, and we strive to provide high - quality vacuum drinkware that not only performs well, but also helps our customers make a positive impact on the environment. Our vision is to create a cleaner and greener future for all. We understand the impact that plastic pollution has on the environment and we are committed to doing our part to reduce it. We believe that everyone can make a difference and we want to empower our customers to make choices that are good for the planet.
